DEDICATION

So dear to our hearts is Mr. V. M. Epting, who, during the past two years at Pacolet High, has become well liked, appreciated, and loved by the students, faculty, and parents. As our knowledge has increased, our concern for an education has manifested itself through his guidance. In appreciation to him for the betterment of our school and the welfare of our community, his infinite patience with us, and his personal friendship for each of us, we dedicate this, the TOMAHAWK of 1953, to him.
